

AMENDMENTS TO THE SPECIFICATION

Please enter the following amendment to the specification. For the Examiners convenience, the amendments in this Amendment include markings to show the changes to a portion of the specification relative to the immediate prior version of that portion of the specification.

REPLACE Paragraph 0003 with the Following:

[0003] The above-identified provisional application described a method of presenting a digital video work that is customized to viewer preferences in the context of structuring scene sequences for interactive entertainment. That use of the invention is described in detail in this inventor's utility application Serial No. 10/003,196 (published as U.S. Patent Application Publication No. 2002/0053089 (to be inserted by amendment)), the content of which is incorporated herein by reference.
